Noram Ventures Revises Terms of Non-Brokered Private Placement

Vancouver, British Columbia –December 12, 2013 – Noram Ventures Inc. (TSX-V: NRM) ("Noram" or the "Company") announces that the regular units (“Units”) being offered in the previously announced non-brokered private placement have been repriced from \$0.20 to \$0.15 per Unit and consist of one common share and one common share purchase warrant that entitles the holder to purchase one additional common share at a price of \$0.25 for a period of 24 months following the closing date.

The flow-through units (“FT Units”) being offered remain priced at \$0.20 per FT Unit and consist of one common share, issued on a flow-through basis, and one common share purchase warrant that entitles the holder to purchase one additional common share at a price of \$0.25 for a period of 24 months following the closing date.

All warrants are subject to an early acceleration provision which provides for the mandatory exercise or expiry of the Warrants in the event Noram's shares close at \$0.40 or higher for at least 10 consecutive trading days. In such event, the Warrants will accelerate and expire 30 days after the Company has given notice of the accelerated conversion to the Warrant holders.

About Noram Ventures Inc.:

Noram Ventures Inc. (TSX-V: NRM) is a Canadian based mineral exploration company with a project generator business model.
