# Noram Ventures Closes Financing

**Vancouver, British Columbia – December 13, 2013 – Noram Ventures Inc. (TSX-V: NRM) (“Noram” or the “Company”)** is pleased to report that its previously announced non-brokered private placement financing (the “Offering”) has been closed to raise gross proceeds of approximately \$187,000 through the sale of 310,000 flow-through share units (the “FT Unit”) and 833,333 common share units (the “Units”).

The FT Units were priced at \$0.20 and consisted of one flow-through share and one non-transferable common share purchase warrant, with each warrant entitling the holder to purchase one additional common share at a price of \$0.25 until December 13, 2015. The Units were priced at \$0.15 and consisted of one common share and one non-transferable common share purchase warrant, with each warrant entitling the holder to purchase one additional common share at a price of \$0.25 until December 13, 2015.

All warrants associated with this Offering are subject to an acceleration provision allowing the Company to accelerate the expiry of the warrants if the Company’s shares trade above \$0.40 for ten (10) consecutive days. In that event, the warrants will expire 30 days after the Company has given notice of the accelerated conversion to the warrant holders.

No finder's fees were paid in connection with this Offering. All securities issued in connection with this Offering are subject to a four-month hold period in accordance with securities regulation, until April 14, 2014. The net proceeds from the Offering will be used to finance the Company’s exploration programs and for general working capital purposes.

The Offering remains subject to final acceptance of the TSX Venture Exchange.

### CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION

*This news release may contain forward-looking statements including relating to the Offering. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such statements reflect the expectations of management and are subject to risks and uncertainties that may cause actual results, performance or developments to differ materially from those contained in the statements. No assurance can be given that any of the events anticipated by the forward-looking statements will occur or, if they do occur, what benefits the Company will obtain from them. These forward-looking statements reflect management’s current views and are based on certain expectations, estimates and assumptions which may prove to be incorrect. A number of risks and uncertainties could cause our actual results to differ materially from those expressed or implied by the forward-looking statements, including: (1) a downturn in general economic conditions in North America and internationally, (2) the inherent uncertainties and speculative nature associated with mineral exploration, (3) a decreased demand for minerals, (4) any number of events or causes which may delay or cease exploration and development of the Company’s property interests, (5) the risk that the Company does not execute its business plan, (6) inability to finance operations and growth, and (7) other factors beyond the Company’s control. These forward-looking statements are made as of the date of this news release and, except as required by law, the Company assumes no obligation to update these forward-looking statements, or to update the reasons why actual results differed from those projected in the forward-looking statements.*
