

## FOR IMMEDIATE RELEASE

### **Noram Announces Appointment of New Director and Appointment of Advisory Board Member**

**Vancouver, British Columbia – August 2nd, 2016 – Noram Ventures Inc. (TSX-V: NRM and Frankfurt: N7R) ("Noram" or the "Company") is pleased to announce that it has appointed Cyrus Driver to the board of directors, replacing David Rees, who has moved to the Advisory Board.**

Mr. Driver is a chartered accountant and was founding partner in the firm of Driver Anderson since its inception in 1982, and a partner in the firm of Davidson and Company LLP. Whilst providing general public accounting services to a wide range of clients, he specializes in servicing TSX Venture Exchange listed companies and members of the brokerage community. His wide knowledge of the securities industry and its rules have enabled him to give valuable advice to clients within the industry with respect to finance, taxation and other accounting related matters. Cyrus Driver currently serves as director and or CFO of several TSX-V listed companies.

Noram president Mark Ireton said, *"We are every pleased to welcome Cyrus Driver to our board, his vast experience in public markets will be a tremendous asset to the company; I would also on behalf of the board wish to thank David Rees for his contribution to the company and welcome him on the Advisory Board."*

#### **About Noram Ventures Inc.:**

Noram Ventures Inc. (TSX-V: NRM Frankfurt: N7R) is a Canadian based junior exploration company, with a goal of becoming a force in the **Green Energy Revolution** through the development of lithium and graphite deposits and becoming a low-cost supplier for the burgeoning lithium battery industry. The Company's primary business focus since formation has been the exploration of mineral projects that include the lithium projects in Clayton Valley in Nevada and the Jumbo graphite property in southeastern British Columbia. Noram's long term strategy is to build a multi-national lithium-graphite dominant industrial minerals company to produce and sell lithium and graphite into the markets of Europe, North America and Asia.
